SILK SCARVES

Jaguar Ladies' Silk Scarves

Introducing a very special range of beautiful silk scarves designed exclusively by our Jaguar design team which provide an artistic take on the brand. The design evokes the 'Alive' ethos, with an animalistic modern heritage design. Inspiration is taken from a diverse range of sources including traditional British textiles, classic racing Jaguar cars and their components, chequered flags, the original swallow mascot and the iconic leaper. These scarves are produced in Como, Italy; printed onto fine Italian silks and are available in a range of four vibrant colours each presented in a luxury box to ensure they make the perfect gift.

JAGUAR EYEWEAR

The new Jaguar Eyewear collection, with most models featuring ZEISS photochromic polarised lenses which quickly adapt to changing light conditions whilst driving, is now available to order and combines innovative and seductive design with lightweight materials to provide outstanding comfort.

These lenses facilitate accurate perception of colours even in harsh sunlight with strong reflection. Harmful radiation is eliminated, sun glare is reduced and colour perception is authentic. Polarized lenses are the perfect solution in many different situations, even the most extreme light conditions.
